STUDENT HIGHLIGHT

Hi, my name is Ethan. I like KKCS because I like to learn Chinese and here is a fun place to be. My hobbies are reading, sports, playing the piano and playing video games. I want to be a space doctor, a doctor in a spaceship and outer space. I miss seeing my teachers and playing with my friends.

大家好，我叫阮愷寧。我喜歡KKCS，因为我喜歡學習中文，而這裡也是一個很有趣的地方。我喜歡閱讀、運動、彈鋼琴和玩電腦遊戲。長大以後我想成為一名在宇宙飛船和外太空服務的醫生。我很想念學校的老師和朋友們。

If you cry, it will cry. If you laugh, it will laugh too. Whether your face is dirty or not, just take a look at it.

你哭他也哭，你笑他也笑，

WEEKEND CHINESE PROGRAM

KKCS offers a variety of Chinese classes on weekends, including Weekend Chinese Language and Culture Program. The program intends to bring fun and interest in learning Chinese to our students starting at a young age. During this difficult time, we have been providing better technical support and management for online courses. At the same time, we have also added many online activities, so that the children can also enjoy the fun of learning and the warmth of the community at home.

KKCS周末開設多種中文課程，包括周末中文和文化課程。該項目旨在為我們的學生帶來學習中文的樂趣和興趣。在這個艱難的時期裡，我們也一直在為線上課程提供更好的教育訓練和管理。同時，我們也增設了多樣化的線上活動，旨在讓孩子們在家也能享受到學習的快樂和團體社交的溫暖。
