Exciting News

The 'Quin Impact Fund plays a vital role in sustaining the operational expenses of our weekend Chinese language and culture program in SY23-24. The funding supports the seamless continuation of our cultural activities, allowing for the renewal of necessary equipment and the involvement of committed local artists. These measures are essential in preserving the authenticity and excellence of our cultural programming. Our sincere appreciation goes to The 'Quin Impact Fund for its generous backing. We are enthusiastic about the profound impact these initiatives will make on our community, fostering a love for learning and creating environments that spark creativity and collaboration!
