## TEACHER TRAINING; RECOGNIZING & RESPONDING TO CHILD ABUSE

KKCS's afterschool teachers were able to sit in on a workshop led by Children's Advocacy Center (CAC) of Suffolk County. The training is an effort to help our teachers understand the steps to child abuse prevention. We as educators hold the responsibility to recognize and respond appropriately to suspicions of child maltreatment.

## TOUR OF CHINATOWN; CHSNE

紐英崙華人歷史協會  
Chinese Historical Society  
of New England  
Established in 1992 | chsne.org

Wednesdays: typically an early dismissal day for our upper grade level students at JQUS. KKCS coordinated a tour with Chinese Historical Society of New England to give our students a chance to explore the history of chinese immigration and legacy in New England. Our students were able to learn about the community in which they live in and have a stronger connection with the value of personal trials and triumphs from Chinese-Americans.

JQUS的高年級學生通常在星期三提前放學。KKCS與新英格蘭中國歷史學會合作，讓我們的學生有機會探索新英格蘭的中國移民和遺產歷史。我們的學生能夠了解他們所生活的社區，並與美籍華裔的個人經歷和勝利的價值有更深刻的認識。

## LION DANCE PERFORMANCES

KKCS's youth lion dance team had multiple performances since the school year started - CCBA GALA 2023 & YMCA GALA 2023. Our teens were able to perform new routines and have a fun time at each of these events. "Good Luck and Best Wishes" - just one of the many scrolls we have readily available for performances. Every year, our team photos grows as new members join the KKCS Youth Lion Dance Team.

KKCS青年舞獅隊自開學以來曾多次演出——其中包括CCBA GALA 2023和YMCA GALA 2023。在每次活動中，我們的青少年都能夠表演新的節目，度過一段愉快的時光。《好運與祝福》是我們的必備節目之一。每年，隨著新成員加入KKCS青年舞獅隊，我們的團隊逐漸壯大，紀念照片不斷增加。
