Student Highlight 本月之星

黃永晴 Alexis

Alexis loves potatoes and learning about marine life animals. Her favorite classes are Art, Math, and Ethics because she likes learning about different topics. Some things she misses doing in school would be having recess and eating lunch with her friends. One thing Alexis is not comfortable doing would be going up to the white board and presenting to the class. The first thing Alexis would do when she can go back to school would be to play tag with her friends and make drawings.

黃永晴同學有廣泛的嗜好，熱愛海洋生物，最喜歡的科目是藝術，數學和道德。平時還喜歡吃土豆，性格有點害羞，不太敢在全班面前展現自己。

現在在家學習，她最想念的是和朋友在學校一起吃午餐，一起玩的日子。如果能回到學校上課，她第一件想做的事情就是和朋友玩tag和畫畫！
