Annie Liang

I'm Annie, and I am a 4th grader at JQES.

I have many good friends at KKCS, and I learned so many things in the afterschool program. When I'm not in school, I enjoy riding bicycle as well as doing gymnastics. I also love drawing and painting, I might become an artist in the future!

I really like my current class. My teacher is Ms. Rieder, she is kind and friendly to everyone. She also let us decorate the classroom with our own art work. Besides my class and teacher, I also find the credit shop exiting. We get to spend our own credits on cute little things.

STUDENT OF THE MONTH

Annie with friends in afterschool and summer program.
Annie 和朋友一起製作聖誕卡片、一起參加牙醫工作坊還有練習工夫。
我是Annie, 我現在就讀昆士小學四年級。

我在廣教課餘班有許多好朋友，而且我在這裡學習到很多事情。當我不在學校學習時，我很喜歡騎著我的腳踏車到處兜風以及練習體操。我也很喜歡畫畫和著色，也許我以後會成為一位藝術家喔！

我很喜歡現在的班級，我的課餘班老師是蔡老師，她是一位非常和善且溫柔的老師。她讓我們全班用自己做的藝術品裝飾教室。除了喜歡我的班級和老師之外，我都很期待每週五的到來，因為週五有廣教禮品部，我們可以用平時表現良好換得的點數來購買喜歡的小東西。

On November 27, 2021, "Uncle Bill" Yoke Soon Chin sadly passed.

In lieu of flowers, his loved ones graciously asked that donations be made to both South Cove Manor at Quincy Point Rehabilitation Center and to us at Kwong Kow Chinese School. As a result, more than \$25,000 has been raised for KKCS in Uncle Bill's memory.

We at KKCS are incredibly grateful for this heartfelt gesture, and for Uncle Bill's incredible impact on the Boston Chinatown community over the past 50 years. Our hearts and minds go out to Uncle Bill's family.

To read more about Uncle Bill's lasting influence on Boston Chinatown and how he has helped shape the history of the area, please visit our memorial page by scanning the QR code.

Uncle Bill於2021年11月27日與世長辭。他的家人懇請親朋好友將奠儀轉捐給華人醫務中心以及中華廣教學校。

緬懷Uncle Bill的各路善心人士，總計捐贈超過\$25,000給敝校。這些捐款將會用於支持課程所需開銷，並且持續維持一個安全乾淨的學習環境。

廣教全心感謝陳家人的善舉，更懷念Uncle Bill為波士頓唐人街帶來的改變。我們邀請您掃碼閱讀更詳細的文章，深入了解Uncle Bill以及他的家人。

我們同時也非常感謝各位的捐款。請掃碼觀看完整的捐款名冊。

Favorite hobby & aspirations

In my free time, I enjoy doing different types of art; drawing, sewing, coloring, and singing. Overall, I like doing them by myself, enjoying the world's peacefulness but usually I'll end up sharing what I'm doing with others and that makes it significantly more enjoyable. Right now, I'm just trying to work hard so I can get into a good college.

有空的時候，我喜歡做跟藝術相關的事情。例如，畫畫、縫紉、著色以及唱歌。我很喜歡一個人進行這些活動，而與其他人分享我的作品或是成果，也是很值得享受的一部分。我目前最大的目標是努力進入一所好大學就讀！

Memories & Experiences at KKCS

One thing about KKCS is how welcoming and helpful everyone is, no one is excluded. When I was a student at KKCS and even now as a teaching assistant, KKCS has taught me how to patiently and effectively work with students.

在廣教當志工是一件很愉快的事情。因為每個人都很友善，大家也都非常願意互相幫助，整體的氛圍非常和睦。從我還是廣教學生的時候開始，我就學習到要如何與其他學生有效的溝通，並且在過程中保持耐心。

全僑喜迎春

四海慶豐年

A cultural event at CCBA, our students were able to experiment with calligraphy and learn from the masters. Co-hosted by New England Association of Chinese Schools, Overseas Community Affairs Councils, Taipei Economic & Cultural Office in Boston and other organizations, KKCS students were invited to the fun event at the beginning of a new year. Students were led by our weekend teacher, Ximu. The beauty of calligraphy became the art of forming symbols by hand and arranging them well.
